

MOLINO REAL - TELMO RODRIGUEZ

PRODUIT

From the steep slopes of the Sierra de Málaga, Molino Real celebrates Muscat of Alexandria in a noble and complex version. Its intense nose blends notes of candied fruit, dried flowers, and golden honey. The palate, ample and silky, displays a richness balanced by a beautiful saline freshness. Partially aged in barrels, it gains in depth and elegance. Sublime with foie gras, an apricot tart, or refined oriental cuisine.
