

CALVADOS MICHEL HUARD HORS D'AGE

PRODUIT

This Calvados has been aged for at least 20 years. Its deep golden color and powerful, floral nose hints at apple, with a beautiful roundness in the mouth. Its balanced texture will linger for a long time with its distinct apple aromas. The best time to enjoy it? With a chocolate dessert or coffee, preferably a fruity but slightly acidic vintage, such as a Guatemala or Costa Rica.
