

DOMAINE DU GROS NORÉ ROSÉ

PRODUIT

This Bandol rosé, a skillful blend of Mourvèdre, Cinsault, and Grenache, embodies the gastronomic excellence of Provence. It immediately seduces with its delicate aromas of white peach, apricot, and citrus (grapefruit or blood orange), accompanied by floral and delicate spice nuances, with a saline and herbaceous hint that reveals its Bandol terroir. This indulgent yet structured rosé (with an unexpected density for a rosé) is considered a true gastronomic wine. Critics highlight its exceptional quality and finesse: « a rosé of character... silky texture with perfect balance. »
Long cited as one of the best Bandol rosés.
