

CHÂTEAU MALARTIC LAGRAVIÈRE - BLANC

PRODUIT

The estate's Grand Vin white wine is distinguished by its elegance and finesse.

It combines aromatic freshness and complexity: a light color, a clean nose of citrus, white flowers, and sometimes hints of exotic or apricot.

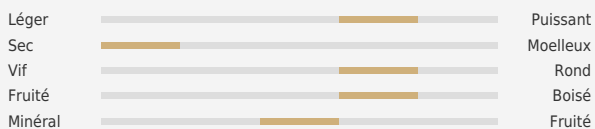

On the palate, it displays a fine texture and a generous acidity that adds liveliness, balanced by the roundness of the Sémillon.

The aging (partially in oak depending on the vintage) adds a dimension of depth without overpowering the fruit.

A saline and mineral finish offers beautiful persistence.

A gourmet white wine, capable of improving over time.
