

## CHÂTEAU PAPE CLÉMENT BLANC

### PRODUIT

The estate's white wine charms with its aromatic purity and elegant structure.

The nose opens with vibrant citrus, white flowers, peach, or pear, then reveals more complex notes (fresh grass, exotic fruit, honey, or wax, depending on the vintage) upon aeration.

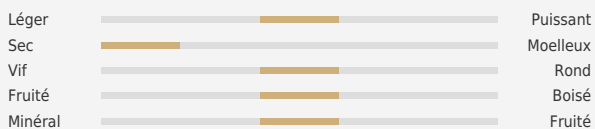

On the palate, the attack is lively, driven by the Sauvignon Blanc, while the Sémillon adds volume, roundness, and depth.

The well-balanced aging (often on lees, in barrels or various containers) imparts texture and complexity without overwhelming the fruit.

The finish is clean, mouth-watering, marked by a beautiful minerality, and the length is significant.

This white wine seduces young with its brightness, but also evolves gracefully.

### PROFIL GUSTATIF

### IDENTITÉ
