

CHÂTEAU SMITH-HAUT LAFITE - BLANC

PRODUIT

The 2020 Smith-Haut-Lafite Rouge immediately seduces with its dense, very dark, almost black color with bluish highlights.

The nose develops black fruits (blackcurrant, blackberry), then becomes richer with the swirling of spicy notes (licorice, star anise), blond tobacco, graphite, with very earthy empyreumatic and mineral touches.

On the palate, the attack is ample, powerful, yet already very harmonious: firm, well-coated tannins, a velvety texture in the background, marked internal freshness, rich and concentrated body.

The finish is long, persistent, and mouthwatering, with black fruits, spices, and a beautiful minerality that leaves its mark after each sip.

A great wine with excellent aging potential (20-30 years), already impressive but which will benefit from being opened after a few years.

PROFIL GUSTATIF

NOTATIONS

James Suckling : 97/100
