

CHÂTEAU PONTET CANET

PRODUIT

Château Pontet-Canet is a red wine from the Pauillac appellation, classified as a Fifth Grand Cru Classé in 1855. Produced biodynamically, it is distinguished by aromas of ripe black fruits, cedar, tobacco, and spices, as well as a fresh and vibrant palate, marked by fine tannins. Its aging in oak barrels and amphorae gives it great purity and a silky texture. An elegant wine, which can be enjoyed young or stored for optimal development.
