

CHÂTEAU DASSAULT

PRODUIT

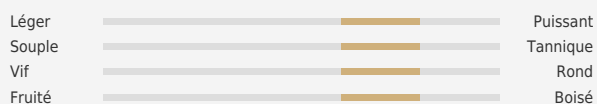

Overview

Located on the prestigious clay-sand terroir of Saint-Émilion, the 2019 Château Dassault combines richness and elegance. The blend is composed of approximately 74% Merlot, 20% Cabernet Franc, and 6% Cabernet Sauvignon, from vines approximately 26 years old. Aged for 14 to 18 months in barrels, 70% of which are new, this vintage reveals a refined structure and remarkable aromatic complexity. A wine that is both powerful and balanced, perfectly reflecting the expertise of this Grand Cru Classé.

Tasting

The intense ruby-red color reveals purple highlights. The nose unfolds aromas of black fruits (blackcurrant, blackberry), combined with notes of licorice, cocoa, leather, and sweet spices. On the palate, the body is dense, with firm but well-integrated tannins, supported by a mineral freshness and beautiful fullness. The long and persistent finish illustrates the perfect balance between power and finesse, promising excellent aging potential.

PROFIL GUSTATIF

NOTATIONS

James Suckling : 93/100
