

CHÂTEAU REYNON

PRODUIT

The freshness of Cadillac!

On the nose, it unfolds harmonious aromas of licorice, blackcurrant, and a light hint of smoke, promising a bouquet that is both rich and elegant.

On the palate, its texture is velvety, supple yet powerful, with refined tannins that provide a beautiful structure.

This is a balanced wine: expressive enough to be enjoyed young, but which gains charm and roundness with a few years of aging. Perfect with grilled meats, game, or mature cheeses.
