

LES TOURELLES DE LONGUEVILLE 2ÈME VIN DU GRAND CRU CLASSÉ CHÂTEAU PICHON BARON

PRODUIT

Its color is deep purple. Its nose is all about fruit, with notes of wild strawberry, blackcurrant, and fresh rose. Its palate is elegant, crisp, sweet, and immediately pleasing. The tannins are fine, distinguished, and express all the quality of the vintage: freshness, fruit definition, and ripe tannins with a silky feel. This is a great Tourelles with a promising future that will also allow you to appreciate the vintage in its youth.
