

APPIA ANTICA 400

PRODUIT

Named in homage to the ancient Roman road that ran alongside the vineyard, this luminous white is made primarily from Malvasia del Lazio, the region's iconic native grape variety.

The nose reveals a frank and floral expression, marked by notes of white flowers, peach, citrus zest, and a hint of wild fennel. On the palate, the texture is supple and fresh, with a mineral and saline tension reminiscent of the volcanic origins of the soil. A vibrant, delicately perfumed wine, perfect with seafood, appetizers, grilled vegetables, or a simple herb burrata.
