

CHÂTEAU MALARTIC LAGRAVIÈRE

PRODUIT

Presentation

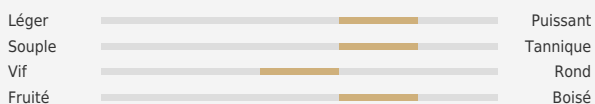

The 2020 vintage from the iconic estate of the Pessac-Léognan appellation seduces with its elegant structure and remarkable completion. Produced from a prestigious blend—predominantly Cabernet Sauvignon (≈50%) and Merlot (≈47%)—the wine is aged on fine lees with 65% new oak, revealing a terroir of dry, clayey gravel on a limestone subsoil. It stands out as a great wine that combines power and freshness, intended for lovers of great Bordeaux.

Tasting

The deep, almost purple color announces a beautiful density. On the nose, blackberry and blackcurrant emerge, followed by touches of tobacco, incense, licorice, and warm stone. On the palate, the texture is velvety, the tannins precise and ripe, supported by an acidic structure that brings liveliness and elegance. The fruit is dense, the finish long and saline—a rare balance between strength and finesse.

An emotional wine, to be enjoyed now after decanting, but also to be cellared for a few years.
