

APOLLON " LE DIVIN "

PRODUIT

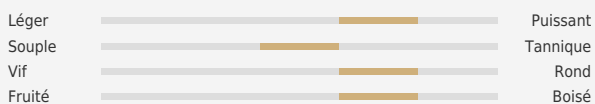

The Apollon "Le Divin" 2020 presents a deep purple color.

On the nose, generous aromas of ripe red fruits—cherry, morello cherry—mingle with elegant spicy and oaky notes.

On the palate, it displays breadth and balance: well-controlled tannins, a rich yet silky texture, and restrained power without harshness. The fresh finish brings liveliness and elegance, prolonging the pleasure with spicy fruity notes.

A Graves red with character, to be enjoyed now by those who appreciate depth, but promises to evolve charmingly in the years to come.
