

CHÂTEAU MARTET " RÉSERVE DE FAMILLE "

PRODUIT

This Château Martet has established itself by blindly beating great vintages like Cheval Blanc, Petrus, and many others. This wine has nothing left to prove and holds a special place in our hearts. Only 1,200 bottles per year are released worldwide, after 10 years of aging at the Château (2014/2024), in a limited 'late release' edition.

A pure Merlot aged for 18 months in new barrels and presented in a numbered bottle.
The wine lives up to its promise, built around intense black fruit, somewhere between blackcurrant and blackberry, with hints of violet and raspberry.
The palate is powerful and dense, underlined by well-integrated tannins and plenty of freshness.
A wine for aging, without excess tannins, with a beautifully lingering finish.

PROFIL GUSTATIF
