

CHÂTEAU LA LAGUNE

PRODUIT

An exceptional wine, Château La Lagune delicately embodies all the nobility of the Haut-Médoc region.

The nose is delicately floral and fruity, revealing aromas of black cherry, violet, graphite, and sweet spices, with a subtly oaky undertone.

On the palate, the attack is silky, with fine texture and remarkable depth.

The elegant tannins support a perfectly balanced structure, which evolves into a persistent, fresh, and complex finish.

This wine is distinguished by its remarkable aging potential, evolving magnificently over time, while offering accessible pleasure after a few years in the cellar.

It is the perfect expression of a great Bordeaux, combining finesse, freshness, and aromatic intensity.
