

LES JARDINS DE BABYLONE – SEC

PRODUIT

A dry version of the Babylone terroir, this wine stands out for its liveliness and depth. The nose is marked by ripe lemon, pear, acacia blossom, and hints of wet stone. The palate is lively, precise, and taut, with beautiful density. The balance between freshness and texture is superb. A dry gastronomic wine, ideal with fish, seafood, or refined vegetarian dishes. It reveals another facet of Dagueneau's expertise. A wine of terroir and character. Drink young or after a few years. Elegance, purity, finesse.
