

ROSSO DI MONTALCINO - PIAN DELLE VIGNE

PRODUIT

Rosso di Montalcino from the Pian delle Vigne estate reveals a fresh and authentic interpretation of the Sangiovese grape variety, grown on the sunny hills around Montalcino. This wine seduces with its immediate and luminous expression: aromas of crisp cherry, wild raspberry, dried flowers, and a subtle hint of sweet spices. On the palate, the balance is remarkable between liveliness, tannic finesse, and suppleness, offering an accessible yet characterful structure. Carefully aged in large foudres, it preserves the purity of the fruit while gaining complexity. A perfect companion to Tuscan dishes, it pairs wonderfully with fine cured meats, grilled meats, pasta with mushrooms, or mature cheeses.
