

CÔTE ROTIE "DOMAINE LES PIERRELLES"

PRODUIT

Paul Jaboulet Aîné's Côte-Rôtie « Domaine des Pierrelles » is an exceptional cuvée born on the steep slopes of the Côte Blonde, in the heart of the northern Rhône Valley. The vines, planted between 1974 and 1992, are rooted in decomposing mica schist soils, where the bedrock outcrops in places, giving the wine tension and depth. First produced in 2009, this 100% Syrah cuvée reveals a refined bouquet of black fruits, violet, sweet spices, and mineral smoke. On the palate, the wine combines power and elegance, with a silky texture, delicate tannins, and a long finish carried by the freshness of the terroir. Perfect for aging, it will ideally accompany savory dishes such as duck breast, roast lamb, or mushroom risotto.
