

GEWURZTRAMINER "HUGEL" 0,375 L

PRODUIT

Nestled in the heart of Alsace, a region renowned for its great aromatic white wines, Maison Hugel has produced a remarkably pure Gewurztraminer. This wine seduces with its intense bouquet of lychee, rose, and sweet spices, typical of the grape variety, supported by great freshness. On the palate, it combines aromatic richness, roundness, and a subtly peppery finish, without ever falling into excess. Produced from carefully selected old vines, it is vinified in accordance with Hugel's dry style, in order to magnify the expression of the terroir. Ideal as an aperitif, it also pairs wonderfully with Asian cuisine, mature cheeses, or spicy dishes.
