

CHÂTEAU JUNAYME - CUVÉE PRESTIGE

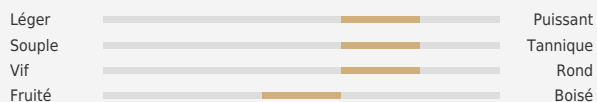

PRODUIT

On the nose, this Cuvée Prestige exudes a seductive bouquet of ripe red and black fruits (cherry, blackberry), accompanied by subtle spicy and oaky notes.

On the palate, it displays a generous structure, well-integrated tannins, and a beautiful roundness balanced by an invigorating freshness, with a lasting finish.

Typical of Canon-Fronsac, this wine combines power and elegance: expressive fruit, depth due to the Merlot-Cabernet (Franc & Sauvignon) blend, and definite aging potential for wine lovers seeking a refined yet assertive wine.
