

PINOT GRIS "HUGEL"

PRODUIT

Representative of the richness of Alsatian terroirs, Hugel Pinot Gris combines breadth, elegance, and aromatic complexity. Its bouquet seduces with notes of ripe pear, dried apricot, light honey, and toasted hazelnut. On the palate, the texture is generous, with a beautiful roundness balanced by a delicate freshness, offering a long and harmonious finish. The vinification respects the dry style of the Hugel house, highlighting the maturity of the grapes without heaviness. Perfect companion to poultry in sauce, mushroom dishes, pan-fried foie gras, or lightly spiced exotic dishes.
