

CLOS 56

PRODUIT

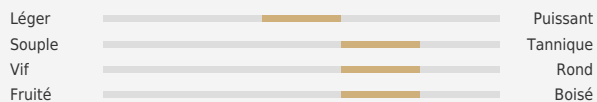

The 2021 Clos56 presents a deep, clear purple color, immediately announcing its beautiful density.

On the nose, it unfolds an intense bouquet of ripe black fruits—blackberry, blackcurrant—accompanied by notes of black cherry, sweet spices, violet, and discreet notes of roasted or toasted cocoa.
On the palate, the texture is velvety, the tannins are precise, refined, yet fleshy enough to give body; the positively present acidity brings freshness, balancing this rich wine.

The finish is long, elegant, and expressive, with persistent fruit and spices, promising several years of serene aging potential.

A confidential micro-cuvée, rare and full of character.
