

LA PARCELLE "8"

PRODUIT

Made from old, very low-yielding vines, La Parcelle 8 is an exceptional Cabernet Sauvignon cultivated with total respect for the natural balance of the Apalta terroir. Thanks to the extreme attention paid to the vine and environmentally friendly practices, this wine reflects the purity of the grape variety. It is the result of many years of research and selection carried out by Lapostolle, who has produced a unique single-plot cuvée.
