

SANTA PIA, NOBILE DI MONTEPULCIANO "RISERVA"

PRODUIT

Coming from a single vineyard located on the Santa Pia hill, this wine represents the estate's highest expression. Produced only in the best years, it is made from carefully selected Prugnolo Gentile (Sangiovese) grapes, then aged for a long time in oak barrels. The nose is intense and complex, blending ripe black fruits, cocoa, leather, and sweet spices. On the palate, it is distinguished by its richness, deep structure, and perfectly integrated tannins. Its long, flavorful finish demonstrates excellent aging potential. This is a noble, distinguished wine that combines power and elegance with rare precision.
