

DOURO DUAS QUINTAS WHITE RESERVA

PRODUIT

This great white from the Douro reveals a refined expression of the Rabigato, Arinto, and Viosinho grape varieties grown on the cool terraces of Quinta de Ervamoira. The complex and subtle nose unfolds aromas of almond blossom, candied lemon, and white peach. On the palate, the ample and silky texture is tightened by crystalline acidity and delicate salinity. Partial aging in oak barrels imparts buttery and brioche-like nuances of great elegance.

The balance between richness and freshness gives the wine an irresistible charm. Its aromatic depth blossoms with time, revealing excellent aging potential. The palate stretches into a long, mineral and slightly spicy finish. This wine embodies the rare alliance between intensity and purity. Enjoy with fine fish, roast poultry, or creamy dishes. *Duas Quintas Reserva Branco 2022* is a bright, structured white of exemplary finesse.
