

TONNELLE DE BEL-AIR

PRODUIT

La Tonnelle de Bel-Air is the second wine of Château Villa Bel-Air.

This wine seduces with its clear garnet color with purple highlights.

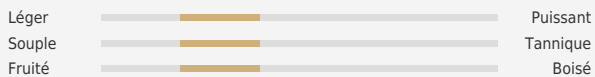

The nose opens with a fruity aromatic palette: red fruits (cherry, morello cherry), with a hint of sweet spices brought by oak aging.

On the palate, the tannins are round and silky, with a supple attack, followed by a balanced mid-palate where the fruit dominates without being heavy.

The finish is fresh and clean, with a pleasant aromatic persistence.

An elegant wine, perfect for immediate enjoyment, to be served slightly chilled or after a few years for more complexity.
