

HERMITAGE "LA CHAPELLE" WHITE

PRODUIT

Paul Jaboulet Aîné's Hermitage Blanc « La Chapelle » is an iconic cuvée, made exclusively from the Marsanne grape variety. This exceptional wine comes from the finest terroirs of the Hermitage appellation, notably the terraced plots located on the slopes of the Rhône, primarily in the Rocoules locality, which benefits from optimal exposure and rich clay-limestone soils.

Hermitage Blanc « La Chapelle » combines power and finesse with remarkable elegance. It perfectly reflects the estate's rigorous expertise as well as the unique character of the granite terroir of the Hermitage hills. Whether for immediate enjoyment or extended cellaring, this wine will delight discerning lovers of fine white wines with its complexity, aromatic richness, and length on the palate.
