

QUINON DE VALMIRA

PRODUIT

A true gem of the estate, *Quiñón de Valmira* comes from a single plot located in Alfaro, planted with old Garnacha vines. This rare wine captures all the grace, depth, and verticality of the terroir. The nose, of great complexity, combines wild strawberry, rose, fine spices, and chalk. On the palate, the texture is airy, almost crystalline in purity, carried by a vibrant tension. Each sip seems suspended between power and lightness.

The plot-by-plot vinification and delicate aging in old barrels respect the nobility of the fruit. This is a wine of meditation, emotion, and almost Burgundian precision. Its saline and persistent finish leaves an impression of absolute grace. Drink slowly, at a cool temperature, to fully grasp its dimension. *Quiñón de Valmira 2017* is a summit of the Spanish Garnacha.
