

## LES JARDINS DE BABYLONE - MAGNUM - MOELLEUX 2016

### PRODUIT

Same wine, in magnum format, from a great vintage. The aromatic richness is even more developed, with notes of candied fruit, honey, dried fruit, and a deep minerality. The magnum format allows for a slower evolution and optimal conservation. On the palate, it is a true caress, carried by a fresh and taut structure. Ideal for a special occasion or for the cellar. It impresses with its complexity and purity. A great wine for meditation. To be savored slowly, with respect. An absolute rarity.
