

DUO "LA CHAPELLE" ET "CHÂTEAU LA LAGUNE" 1,5 L

PRODUIT

Le Duo 2010 is an exceptional cuvée born from the union of two great terroirs: Château La Lagune, located in the Haut-Médoc, and Domaine de la Chapelle, producer of the iconic Hermitage La Chapelle. This rare wine is produced in small quantities, exclusively in large formats (magnums and jeroboams), and sold primarily at auction. It is classified as a Vin de France, which circumvents appellation restrictions for this type of trans-regional blend.

The color is a deep red. The nose reveals an aromatic complexity combining ripe black fruits, spicy notes, and hints of leather and tobacco. On the palate, the attack is ample, with powerful yet well-integrated tannins, providing a solid structure. The finish is long, marked by woody nuances and a beautiful fruity persistence. This wine combines the richness of Bordeaux Merlot with the power of Rhône Syrah, creating a unique harmony.
