

L'IF

PRODUIT

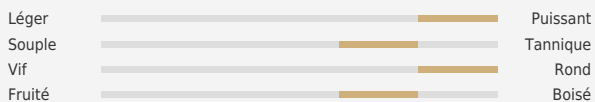

On the nose, L'If seduces with its aromatic intensity: ripe black fruits (blackberry, plum), licorice, and gingerbread, with a pronounced limestone freshness that adds clarity.

On the palate, it combines power and elegance: firm yet well-integrated tannins, a velvety and rich texture, deep fruit, and a long finish enhanced by a mouth-watering minerality.

Typical of Saint-Émilion but matured in a grand style, this wine expresses the great limestone terroir of the plateau, where the freshness of the Cabernet Franc balances the roundness of the Merlot.
Intended for lovers of structured, distinguished red wines with ageing potential.

A typical combination of intensity, freshness, and structure.

PROFIL GUSTATIF
