

ABYSSES

PRODUIT

Intense and complex, with aromas of ripe, even jammy black fruits (black cherry, blackcurrant, blackberry, prune). On the palate we find a lovely blend of cocoa, spices and black fruits. A typical blend of the Syrah Grenache region. Hand-harvested with two sorting tables, crushed and fermented in vats at 30 degrees. Aged in 50% new barrels for 12 months.

PROFIL GUSTATIF
