

PINOT NERO DELLA SALA

PRODUIT

Planted on the estate's coolest plots, Pinot Noir finds an unexpected expression here in Tuscany. This delicate red wine, with its light ruby color, reveals a fine nose of raspberry, cherry, dried rose, and sweet spices. On the palate, elegance is evident: supple tannins, beautiful acidity, and a subtly woody finish.

This is a lacy red, full of finesse, which seduces with its precision and unique personality within the Antinori range.
