

CHÂTEAU VILLA-BEL-AIR - BLANC

PRODUIT

The 2021 Château Villa Bel-Air white seduces with its aromatic elegance and liveliness.

It reveals a beautiful pale yellow color with silver highlights.

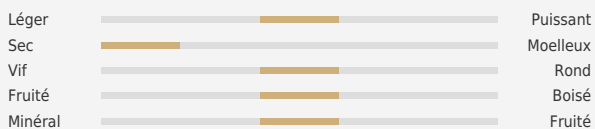

The nose is expressive, blending aromas of citrus (grapefruit, lemon), white-fleshed fruits (pear, peach), and subtle floral notes, complemented by a hint of toast from the partial barrel aging.

On the palate, the attack is fresh and tense, driven by the Sauvignon, while the Sémillon brings a balanced roundness.

The texture is silky, with a long, lemony, and mineral finish.

A refined Graves white, to be enjoyed young for its freshness or after a few years of aging for greater complexity.
