

AS CABORCAS

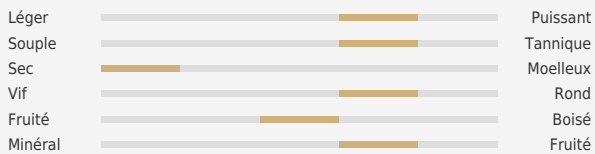

PRODUIT

L'as Caborcas, a multi-varietal wine produced with Mencía, Merenzao, Sousón, Garnacha, Godello, Brancellao, and other grape varieties from ancient vines on granite terraces, fermented in small oak and stainless steel vats and gently aged in 1,500- and 2,000-liter foudres to preserve its Atlantic profile. It takes time in the glass to unfold its aromas—withered blue flowers, wild and Atlantic flowers, berries and herbs—subtle and elegant.

Simply superb!
