

CROZES-HERMITAGE "DOMAINE DE THALABERT"

PRODUIT

Paul Jaboulet Aîné's Crozes-Hermitage « Domaine de Thalabert » red is an iconic wine from the northern Rhône Valley, renowned for its richness, balance, and aging potential. Owned by the estate since 1834, this estate is the oldest vineyard in the appellation, located on low terraces of the Rhône River with stony soils of glacial origin, composed of small rolled pebbles that release the heat accumulated during the night. This 100% Syrah reveals an intense nose of black fruits, violets, black olives, and spices, with hints of leather and smoke. The palate is full-bodied, structured, and deep, supported by silky tannins and a persistent finish with mineral accents. A true reflection of its terroir, this characterful wine pairs perfectly with red meats, game, and stews, and lends itself admirably to aging.
