

COUVREUR CANDID MALT SINGLE CASK

PRODUIT

Amber color with ruby highlights. Lively and floral aroma, although very fresh, it is supported by aromas of roasted almonds, revealing a lot of roundness. A distant cousin of the Intravaganza, they are reminiscent of a fleshy, rich and languorous fruit alcohol character. Expressive on the palate, it is lively and powerful, alternating roundness and peaty licorice. Very buttery flavors control its ardor. Finally, the calm after the storm comes, leaving a sweet almond freshness, peppery and spicy, expressed on the finish, carried by a toasted, very slightly woody structure. The very fresh finish offers a beautiful expression of almond enhanced by the peat and licorice, barely visible but essential for the balance and depth of this whisky.
