

## CROZES-HERMITAGE "DOMAINE ROURE"

### PRODUIT

Paul Jaboulet Aîné's Crozes-Hermitage « Domaine de Roure » white is an exceptional cuvée made exclusively from the Marsanne grape variety, grown on a remarkable terroir located in Gervans, north of Tain-l'Hermitage. The vines, planted between 1945 and 2000, thrive on deep soils composed of white earth and loess, which give the wine a delicate minerality and beautiful complexity. This elegant and structured white wine reveals a perfect harmony between aromatic richness and invigorating freshness, a faithful reflection of Paul Jaboulet Aîné's rigorous know-how and the unique identity of the Crozes-Hermitage terroir. On the nose, it expresses subtle aromas of white-fleshed fruits, white flowers and slightly spicy nuances, while on the palate, it seduces with its ample texture, balanced freshness and a long, saline finish. The Crozes-Hermitage « Domaine de Roure » white goes perfectly with noble fish, shellfish, as well as refined dishes based on poultry or mature cheeses.
