

VILLA ANTINORI

PRODUIT

This cuvée perfectly captures the spirit of the estate: a vibrant and approachable Chianti Classico, marked by fruity freshness and natural elegance. The wine reveals an expressive bouquet of black cherry, violet, and subtle balsamic notes. On the palate, it offers a supple structure, fine tannins, and beautiful harmony. Aged in oak barrels for several months, it retains a pleasant liveliness while gaining complexity. Ideal for immediate consumption, it pairs perfectly with traditional Italian dishes.
