

## CHÂTEAU D'ARLAY - MACVIN BLANC

### PRODUIT

Pale yellow-green color, initial nose of fresh marc, fresh grapes, then ripe white fruits, and candied fruits. A highly complex bouquet of ripe fruits and dried fruits (fig, prune, apple, pear, angelica, mirabelle plum, raisins, almond cream, honey, woodruff, anise, etc.).  
A particularly long and complex finish for a liqueur wine, where traces of brandy fade to offer the pleasure of a sweet wine.
