

CHÂTEAU AUSONE

PRODUIT

Château Ausone, located on the clay-limestone hillsides of Saint-Émilion, has been producing exceptional wines since Roman times. The 2016 vintage is a blend of 50% Merlot and 50% Cabernet Franc, from vines averaging 51 years old. After vinification in oak vats, the wine was aged for 20 months in barrels, 80% of which were new.

The color is a deep ruby red. The nose offers aromatic complexity with notes of violet, black cherry, chocolate, ripe black fruit, spices, and cedar. On the palate, the attack is full-bodied, with fine, velvety tannins, supported by a lovely freshness. The finish is long, marked by nuances of black fruits, chocolate and a mineral touch.

PROFIL GUSTATIF

NOTATIONS

Robert Parker : 99/100
