

DOURO DUAS QUINTAS WHITE

PRODUIT

This luminous white embodies the freshness of the upper Douro and the finesse of Ramos Pinto's expertise. The nose reveals a delicate palette of white flowers, lime, and crisp pear. On the palate, the liveliness of the fruit is balanced with a slightly creamy texture and a saline finish. Aging on fine lees reinforces the sensation of volume and depth. Each sip evokes the minerality of the schist and the clarity of the native Rabigato, Viosinho, and Arinto grape varieties. The wine shines with its controlled tension and aromatic brilliance. Fresh and precise, it also seduces with its natural elegance and great digestibility. Perfect as an aperitif, it pairs ideally with seafood, grilled fish, or Asian cuisine. *Duas Quintas Branco 2023* is a pleasurable white wine, fine and distinguished, with a strong personality.
