

CHÂTEAU LE PIN

PRODUIT

One of Bordeaux's greatest wines!

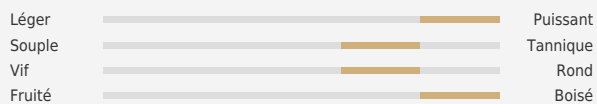

Le Pin is an ode to refined balance: 100% Merlot, harvested between September 25th and October 4th, with partial maturation in new barrels (≈65-75%) to provide structure while allowing the fruit to breathe.

On the nose, we perceive deep aromas of ripe black fruits (plum, blackberry, black cherry) blended with floral notes (violet, rose), delicate spices, a hint of leather and truffle, and a slightly mineral note that adds depth.

On the palate, the wine is supple yet dense: the tannins are fine and velvety, the texture is silky, and the well-balanced acidity offers a welcome freshness.

The finish lingers long, with fruit, spices, and a lovely salinity, promising excellent aging potential.
