

CERVARO DELLA SALA

PRODUIT

A true icon of great Italian white wines, Cervaro della Sala embodies the excellence of the estate. A blend of mostly Chardonnay and Grechetto, it is vinified and aged partially in barrels, then refined in the bottle to reveal all its complexity. The bouquet is noble and deep, blending ripe citrus, exotic fruits, white flowers, toasted hazelnut, and a chalky mineral touch. On the palate, the fullness and tension blend elegantly, offering a long and persistent finish. This is a wine for laying down, at once refined, structured, and timeless. Also available in magnum and double magnum formats for special occasions.
