

CHÂTEAU D'AGASSAC

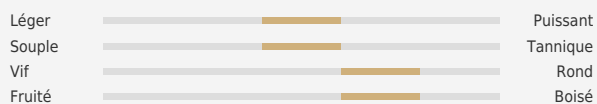

PRODUIT

Château d'Agassac, a Cru Bourgeois of the Haut-Médoc, is one of the oldest and most iconic estates in the region. Located in Ludon-Médoc, near Margaux, the château benefits from a gravelly terroir ideal for the expression of Cabernet Sauvignon and Merlot.

This wine presents generous notes of warm plums, black pepper, and a touch of sweet spice. On the palate, the body is dense and structured, with well-integrated tannins. The finish is long, fresh, and marked by a subtle note of eucalyptus, a signature of its style.

Balanced and elegant, Château d'Agassac offers excellent value for money and has good aging potential, while remaining accessible in its youth.
