

LINEDES DE REMELLURI 'SAN VICENTE'

PRODUIT

The « Linde de Remelluri, » or « Borders of Remelluri, » is a blend of two terroirs with diverse characteristics. On the one hand, those of the wines of Labastida, in Rioja Alta, and on the other, those of San Vicente in Rioja Alavesa. Until 2009, the producers of these two entities brought their best grapes to Granja Nuestra Señora de Remelluri. Linde is the result of Remelluri's desire to reward the fabulous work of these winemakers by separating their production from the estate's other vintages, to blend them into this new vintage, which, since its creation, has received nothing but praise from the greatest tasters. This wine is a blend of several grape varieties typical of the region: Tempranillo, Grenache, and Graciano.

The aromatic profile is refined and expressive, with notes of ripe black fruit, juicy cherry, sweet spices, and dried flowers. The texture is fluid and elegant, supported by fine tannins and a fresh, balanced structure. The overall finish is both precise and indulgent, with good length and a slightly smoky finish. A signature Rioja, vibrant and sincere, that masterfully combines tradition and modernity.
