

GINGER&YUZU

PRODUIT

Botaniets Ginger & Yuzu 0.0% is a non-alcoholic spirit distilled with juniper berries, cardamom hearts, fresh ginger, and Japanese yuzu peels sourced organically in Japan.

TASTING NOTES

Nose: The gentle acidity of yuzu combines with the elegant herbs and citrus bouquet of grapefruit, yuzu, and mandarin, accompanied by delicate floral notes.

Palate: The bright, fresh taste of citrus is followed by peppery and spicy notes from fresh ginger. Balanced by a hint of bitterness from the juniper berries, it contributes to the depth and complexity of the overall profile.

Finish: The presence of a zesty citrus bitterness and spicy nuances creates a harmonious and long finish. Cocktail:

Ginger Breeze: Add 50 ml of Botaniets Ginger & Yuzu 0.0% to a glass filled with ice. Add 100 ml of Premium Ginger Ale and stir gently. Garnish with a slice of lemon zest and fresh ginger.
