

LES JARDINS DE BABYLONE - DEMI-SEC

PRODUIT

This semi-dry offers an ideal compromise between freshness and roundness. The nose is expressive: ripe pear, melon, light honey, white flowers. On the palate, the attack is sweet, followed by an acidic tension that perfectly balances the sweetness. The finish is long, slightly spicy, and very elegant. It pairs well with Asian cuisine, mild cheeses, or poultry with fruit. Beautiful aromatic complexity and great drinkability. A charming yet structured wine. Drink now or within the next 5 years. An original and seductive wine.
