

CHAMBERTIN CLOS DE BÈZE GRAND CRU 'LES OUVRÉES RODIN'

PRODUIT

The Chambertin « Clos de Bèze » Les Ouvrées Rodin from Domaine Faiveley is an exceptional cuvée, produced in very limited quantities from the estate's oldest vines located in the heart of the Clos de Bèze grand cru. Named in homage to the sculptor Auguste Rodin, this rare cuvée embodies the perfect alliance between art and terroir.

The deep, perfectly drained clay-limestone soil allows for optimal ripeness of the grapes, grown on plots cultivated with extreme care. The precise and measured vinification reveals all the depth and harmony of this unique grand cru.

On the nose, the wine offers a captivating complexity: intense black fruits, violets, sweet spices, and hints of smoke and minerals. On the palate, the texture is of rare elegance, both silky and powerful, with fine tannins and exceptional length.

Les Ouvrées Rodin is a great wine for meditation, intended for the finest cellaring and the most refined gastronomic pairings. It represents the purest, most intimate, and most sculptural expression of the Faiveley style.
