

MIRAVAL ROSÉ

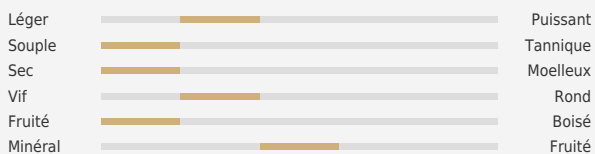

PRODUIT

This Miraval Rosé immediately seduces with its finesse and elegant expression of Provençal terroir. On the palate, its ample and rich texture is perfectly balanced by a beautiful minerality, marked by saline and limestone notes characteristic of the region's soils. The delicate aromas of red fruits, citrus fruits, and white flowers harmonize with a vibrant freshness, resulting in a wine that is both indulgent and refined.

From the renowned Miraval estate, located in the Provence village of Correns, this rosé is the result of a careful blend of grape varieties typical of the region: Cinsault, Grenache, Syrah, and Rolle. Cultivated organically, the vineyard benefits from a unique terroir—both high in altitude and surrounded by forests—which gives the wines a beautiful tension and natural freshness.

Miraval is today recognized as one of the great rosés of Provence, combining expertise, elegance, and respect for the environment.
